

“FOR THE RIGHT TO LIFE”

Dennis Gerard Embo

Before the forces of anti-life
We stand with dignity,
To defend every person's right to life,
And achieve total victory!

In solidarity we must stand,
With those too small to speak,
To raise our voice and take a stand,
For the weakest of the weak.

REFRAIN: (repeat twice)
***We march* for the right to life.**
***We strive* for the right to life.**
For the unborn, the disabled, and a-ged,
***We fight* for the right to life!**

On the streets, in halls of Congress,
Thru our nation's length and breadth;
We plead for the right to human life,
From conception to nat'ral death.

Cath'lics, Protestants, all believers,
Raise your hands in prayer,
Cry out for respect for human life,
Across the USA!

REFRAIN: (repeat twice)

Tho' the forces of anti-life
Are armed with worldly might,
With the powers of Heaven on our side,
We'll triumph for Life and Right!

REFRAIN: (repeat twice)
